

NOW THERE'S EVEN MORE TO LOVE ABOUT

STAGG[®] CHILLI

STAGG[®] Chilli Private Reserve (with beans and without) is available in 3kg tins for a quick and easy food service solution.

Our STAGG[®] Chilli 3kg tins are perfect for catering, cafeterias and restaurants, and just about anywhere a big serve of STAGG[®] Chilli will satisfy the most demanding appetite – and make your food costs go further.

And there are so many great and convenient uses for STAGG[®] Chilli like chilli dogs, nachos, chilli with corn chips – just use your imagination.

The STAGG[®] Chilli production process makes use of modern technology, using a mixing process that allows the ingredients to retain their size and shape. The retort (in-can) cooking process then preserves much of the goodness and flavour inside the can. So, if you've got chilli planned for the menu, discover how STAGG[®] Chilli's 3kg tins can work for you.
